Community

There have been a number of events over the past few weeks that have made me aware of the value of community. I thoroughly enjoyed the combined campus Music Gala Evening and the Year 8 Musical, both of these events were great celebrations within the community but this only comes together because of that community. It takes a wide range of people from all areas to make these events a success. I am very grateful for all that people do to build our community.

I can't think of a better example of community than the Market Night that occurred on the Senior Campus at the end of last week. This was a fantastic occasion that brought people together to serve towards a common goal. The campus was transformed into a vibrant market atmosphere that would rival Notting Hill in London and people enjoyed the mixture of food, products and music. I would like to thank all of our community members that came together to make this event happen and I am grateful for the hours our parent body donate to the college.

In Romans 12:4-5 it states "*For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.*" This is a calling for us to come together as a community, if we all try and work independently we will not be as successful as if we come together as one with the common purpose of glorifying God. Each member of our community belongs to all of the others as we come together with the same function.

I offer a special prayer and blessing to all of the volunteers, we are truly grateful for the contribution you make to our community.

God's blessing

ICAS 2015

Our apologies to Caitlin Stewart in Year 5 who was presented her certificates at a recent assembly with other ICAS participants but was unfortunately omitted from the list in our last POPCorn. Caitlin achieved a credit in the ICAS Writing assessment and also a credit in the Mathematics Assessment. Well done Caitlin.

Dream Big!

The 'Learning and Growing committee' has passed a new bill called 'Dream Big!' This bill is designed to help younger students to not think that just because they are small, they cannot have an impact on the POP community and beyond. The 'Dream Big!' day is on Wednesday 25 November (week 8) Term 4 and is optional.

The 'Dream Big!' day is a dress up day where students are allowed to come to school dressed as who/what they want to be when they grow up. The 'Learning and Growing committee' will then be holding a student led parade in the amphitheatre at lunchtime. This will be a fun opportunity for some students to both attend and possibly be interviewed by the parliament committee, should they wish.

This is a free event and the parade is also voluntary for students to attend. This is an event for students to 'Dream Big!' and celebrate their thoughts and goals.

Chris Mills Head of Pastoral Care and Well Being

Date Claimer!

We look forward to the P - 12 College Thanksgiving Celebration on Thursday evening 26 November at C3 Church Bridgeman Downs. The Jacaranda blossoms always indicate that the end of year is in sight. It is a sign for our senior students to study and prepare for their final pieces of assessment. Last week, our Year 12 students visited the Junior Campus to share their message at Chapel. It proved to be a powerful statement, as the kindergarten students sang to begin worship, and the Prep students attended chapel for the first time and our Year 12 students shared their hopes and dreams for our community. This is the first of the Year 12 final rites of passage. The Year 12 students commenced their final exams on Monday. Their final week, will include opportunities for fun and learning. Next Thursday, the Year 12 students and their parents will attend their valedictory and graduation ceremony. On Friday, the rest of the College community will get their chance to wish the Class of 2015 well with the Farewell Service. We look forward to these events as a chance to help our graduates navigate this important transition.

As you are aware, on Thursday evening 26 November the P - 12 College Thanksgiving Celebration will be held at C3 Church at Bridgeman Downs. This is an opportunity for celebration and honour. We look forward to welcoming you to this special occasion. As a result of this combined College service, some awards will be presented on Wednesday 25 November at Senior Campus worship commencing at 8.25am. At this ceremony, Servant Heart Awards, Sports Awards, Cultural Awards and Effort Awards will be presented. Parents are warmly invited to attend.

Congratulations

On Monday night, Gaythorne RSL hosted the Remembrance Day Essay Writing Competition. Anna Weckert (Year 7) won the Year 7 and 8 category winning \$300 for herself and the College and Ella McLean was second in the Year 9 and 10 category. We congratulate both students on their willingness to extend and challenge themselves. We thank Gaythorne RSL for their continued support of our youth.

Year 8 Musical

The Year 8 Musical – The Circus was a wonderful opportunity to shine. Each student took to the stage and were able to grow through challenge. There were some truly memorable performances and in a touching decision was the same production that our Class of 2015 staged when they were in Year 8. I will let the photos tell the story.

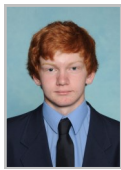

Musical Extravaganza

As the year comes to a conclusion, it is a chance to see the range of talent that the College has on offer and the development that has occurred in 2015. Thanks to Ms Cassandra Croucher and Mrs Sheree Cudney and their team of tutors for mentoring our students and walking alongside them on their musical journey. The final number at the Extravaganza was the combined Senior and Junior Concert band, Senior Campus Strings, Senior Contemporary Ensemble and Senior and Junior Campus Choirs with Georgia Murray on lead vocals performing "Skyfall". A truly memorable performance conducted by Toby Thompson. The only ensemble that was not included in the finale was the percussion ensemble who blew everyone away playing the chairs with their bushwackers. The Extravaganza was a wonderful example of the College theme – Inspire, Learn, Grow. Congratulations to all those involved.

Year 7 North Pine Dam Excursion

On Wednesday the 4th of November, the Year 7 students visited North Pine Dam for SOSE. All the students had fun as they saw the dam.

We walked across the wall and saw the huge crane used for lifting the walls to let water through. We also had a closer look at the remote science lab used for testing the PH, salinity, dissolved oxygen, nitrates and temperature of the water. The wall had a speaker system that plays noises of eagles to scare birds from nesting.

Past the wall, we got to go fishing using nets. Many interesting waterborne creatures were found, from tadpoles to spiders and even eggs. At that time we also tested PH, dissolved oxygen and nitrates using water-soluble pills that make the water go to easily identifiable colours. We tested temperature with a thermometer and turbidity with a giant test tube with a pattern at the base. After lunch we continued on to the water treatment plant. Outside the plant, there were 2 giant swimming pool sized settling tanks and the bottoms were being scraped to get rid of leftover sludge. On the inside of the plant there were two operational filtering tanks (a third was under construction). The water is filtered by sand and charcoal, which sometimes gets very dirty and has to be backwashed by air pushing backwards.

On that day we learnt where our water comes from, how water is prepared, precautions taken to keep the water clean, the speed at which water travels and that there is pretty cool marine life in the dam.

3D Printer

At the beginning of term 3, the IT&D department acquired a new 3D Printer.

The delight of such a new gadget opens many opportunities for both the Graphics and the Tech classes. As the new curriculum unfolds, design has been a much bigger focus than the previous curriculum.

It is fascinating to watch the 3D printer operate. Molten ABS (type of plastic) is layered at 0.25mm at a time. Some intricate objects will literally take 4-5 hours to produce. One doesn't need to be in a hurry!

This new printer, situated in D6 will be an outstanding resource for years to come.

MUSIC NOTES

JUNIOR CAMPUS

Choir Musical

On Monday 23 November, the Junior Campus Combined Choirs will present the Christmas Musical "Once Upon a Christmas". There are 2 performances in the Chapel. 2pm for fellow students and 6:30pm for friends and family. Friends and family who are unable to attend the evening performance may also attend the 2pm performance. The evening performance will conclude with a Carols Sing-a-long. Everyone is welcome to attend.

Instrumental

This Thursday night (12 November) the Junior Campus ensembles will present their End of Semester concert. Commencing at 6:30pm in the Chapel, performers are to arrive by 6pm for warm up. Ensembles involved include Junior Choir, Percussion, String, Recorder and Band groups. Formal Uniform required.

UNIFORM SHOP

Back to School Fitting Appointments: Uniform fittings are required for all students changing into a new style of uniform eg. Prep, Junior, Year 7 Middle School uniform, Year 10 Senior uniform. Appointments can be booked for November and January using this [link](#) to the online booking system or can be found on the school website. Dates for appointments and shop hours will also be listed on the school website.

Prep: Hat name embroidery must be ordered by Tuesday 1 December. Hats purchased after this date are to be embroidered with own supplier.

Junior: Out of Stock – Size 8 Sport Shorts, due mid-January. All other items now in stock. Swim Carnival is only 3 weeks away 1 December! House Shirts, Swim caps and hair ties are available in House Colours – support your team!

Senior: All items now in stock

Current Year 12 Students: If you are selling your Blazer second hand please submit your advert for the blog www.popbuy.blogspot.com.au as soon as possible. Blazers are being noted as being available from Monday 23 (after the Valedictory Dinner and Graduation Ceremony). Back-to-School fittings have commenced and this would provide parents with an alternative to purchasing new.

POP Umbrellas: Don't get caught out in the rain with storm season – grab a POP umbrella for only \$25 and keep it in your car (remember to name it!)

Second Hand: Thank you to everyone who has sent in donations – these offer a great alternative to purchasing new and raise funds for the College. Items will be accepted at both campus' reception anytime during office hours, bagged and marked as donation. Sellers are welcome to list their items on the blog – please use the email link on the blog menu.

SPORTS SCORE

JUNIOR CAMPUS

Inter School Sport

Once again the weather was the winner last Friday as Inter School Sport was cancelled for the second week in a row. Hopefully a clearer end to the week will see us on the playing fields again this Friday.

Inter House Enduro Chess

Bradman are the 2015 Chess champions after an epic Grand Final victory over Jackson last week. It was a stunning match, full of drama and intrigue with Jackson just running out of time as Bradman piled on the pressure in the closing stages to claim the trophy. In the plate final, Fraser broke through for their first win of the tournament, relegating last year's champions Laver to the bottom of the standings. Huge thanks to Mr Russell for giving up his time to support and for bringing his expertise to the concept.

Overall, we have an absolute cliff hanger as we approach the final event of the year. After 6 of the scheduled 7 events the ladder looks like this:

Position	Team	Total
1	Fraser	17
2	Jackson	15
3	Bradman	15
4	Laver	14

With 4 points for a win, down to 1 point for 4th place, there is still the possibility of a 3 way tie at the conclusion of the Handball event (week 8 and 9).

Year 3-6 Swimming Carnival

Tuesday December 1 (Week 9) is the date to mark down for the annual splash-a-thon. Albany Creek Pool is the venue, 8.20am the start time and fantastic competition and fun the name of the game. A reminder that we run '2 pools at once' so all students regardless of swimming prowess can have a go in appropriate events. Children can pick and choose their races (50m or 25m), use the water slide and participate in a range of 'wet games', so we encourage everyone to attend, participate and support their house. For those strong and regular swimmers (attend club events and/or do regular training), we will also hold time trials with the view to selection in the relevant district events for the 200m IM as well as the various 100m events. If any parents/friends of the school would be willing to support us as time keepers at the 'competitive' end of the pool, please contact Mr Wooding for details. We'll ideally need about 16 so please consider if you might be able to help us out (registration for timekeeping also includes the option of voluntary entry into the parents/friends team for the novelty event pitting teachers against students against parents/friends – stay tuned for further details).

Brad Wooding Junior Campus HPE Teacher

POP Sports committee

Hi this is the POP sports committee, we have recently passed a new bill called 'Multi Sport Week'. The bill will include basketball and netball games on Monday, athletics on Tuesday, Prep and Kindy on Wednesday. Please encourage your children to be involved if you can. We look forward to seeing many students participate.

SPORTS SCORE

SENIOR CAMPUS

Congratulations to the following POP Senior Campus students who have been judged as the Most Valuable Player for their chosen sport at the conclusion of the 2nd season of Year 7/8/9 North West Secondary District Inter-School Sport for 2015:

Year 7 Girls Netball – Macey Williams

Year 7 Girls Touch Football – (co-winners) Olivia Cooper & Leilani Hall

Year 7 Boys Soccer – Caelen Cook

Year 7 Boys Rugby Union – Alex Trixner

Year 8 Boys Soccer – Korban Howard-van Beek

Year 8 Girls Touch Football – (co-winners) Charlotte Stephens & Georgia Dux

Year 8 Girls Netball – Jessica Kassiou

Year 9 Boys Basketball – Tyler Bailey

Year 9 Girls Volleyball – Ella McLean

Year 9 Girls Netball – Emily Walsh

Year 9 Boys Soccer – (co-winners) Tom Rowland & Isaac Cooper

Coaches of all teams awarded Most Valuable Player points on a 3-2-1 basis at the conclusion of each match, and the student with the most overall points at the end of the season were judged to be the MVP of that team. Well done to all players in all teams for their contributions and we look forward to a new season of district sport beginning Term 1, 2016!

Our other inter-school sport teams who are competing in local club competitions outside of school hours are enjoying some great success. U14 boys futsal and U15 boys basketball are both on winning streaks currently with the basketball team on top of the ladder halfway through the regular season rounds. Our POP U15 and Senior netball girls have also progressed positively during their competition and are both looking to further consolidate on these results in their future matches.

POP Senior Campus Rugby Union players recently competed in the Kedron Sevens competition for 2015 in both the Junior and Senior Divisions. Both of these teams are to be congratulated for their dedication with their training and preparation before the day and also for their positive results and improvement during the competition. Well done to Mr Parratt and Mr Watt for their valuable assistance with both of these teams.

Finally, a POP Year 7 girls T20 Blast cricket team recently competed in the North Brisbane/Sunshine Coast Regional Championships held at Caboolture Cricket Club in Morayfield. The girls all practiced diligently during training sessions after school and improved a great deal during their 4 matches in the competition, finishing only 9 runs short behind eventual winners Sunshine Coast Grammar. It was fantastic to see the girls enjoying their cricket and having a lot of fun doing so!

Grant Carlson 7-12 Sport Coordinator

SPORTS SCORE CONTINUED

PopStars Netball

Last Tuesday night saw the PopStars Netball team win their third game in a row. The girls are working well as a team and really enjoying the games each week. We have seen some spectacular shooting from Tatjana, Lara W and Elsie, some dazzling defence from Anya, Lara R and Jodie and brilliant mid-court action from Charlotte, Jasmine and Madisyn. We have 2 games left to play, so if you are keen to see some Firebirds in the making, come along to Downey Park next Tuesday night at 5.30pm.

THANK YOU

Wow, what a fantastic POPup Night + Market it was! The break in the wet weather was certainly a blessing for us. Great food, great stalls, great people and fun times. Thank you to all that came and supported such a wonderful event.

Special thanks to Tim Grieger and his team for making it all happen but we would also like thank 3 particular students that went out of their way to help Lynne and myself on the day - Jak Spears, Cassia Gully and Jeremy Caitens.

DEVOTION

Dancing in the Rain

"Life is not about waiting for the storm to pass, it is about learning to dance in the rain." -Vivian Greene.

All of us face storms in life. It is so easy to look at the storms and just pray that God helps us make it through or that He takes it away! We don't like storms. We don't like it when our faith is tested. We complain when we have to go through hard times in life.

Philippians 4:4 says, "Rejoice in the Lord always. I will say it again: Rejoice!" It doesn't say rejoice when things go your way! It doesn't say rejoice when you get that big raise! It says, rejoice ALWAYS!

Even in the storms of life we can rejoice and dance in the rain! We rejoice not because our circumstances are perfect, we rejoice because we know that in all things God works for the good of those who love Him (Romans 8:28).

We can not only dance in the rain, but we can worship in the rain! We worship Him, who is worthy of all glory, honour, and praise, no matter what is going on in our lives - just as God loves us no matter what!

Adapted from a devotion by Wisdom Moon.
